

WICHITA FALLS

POLICE DEPARTMENT

ANNUAL REPORT
2011

Office of the Chief of Police

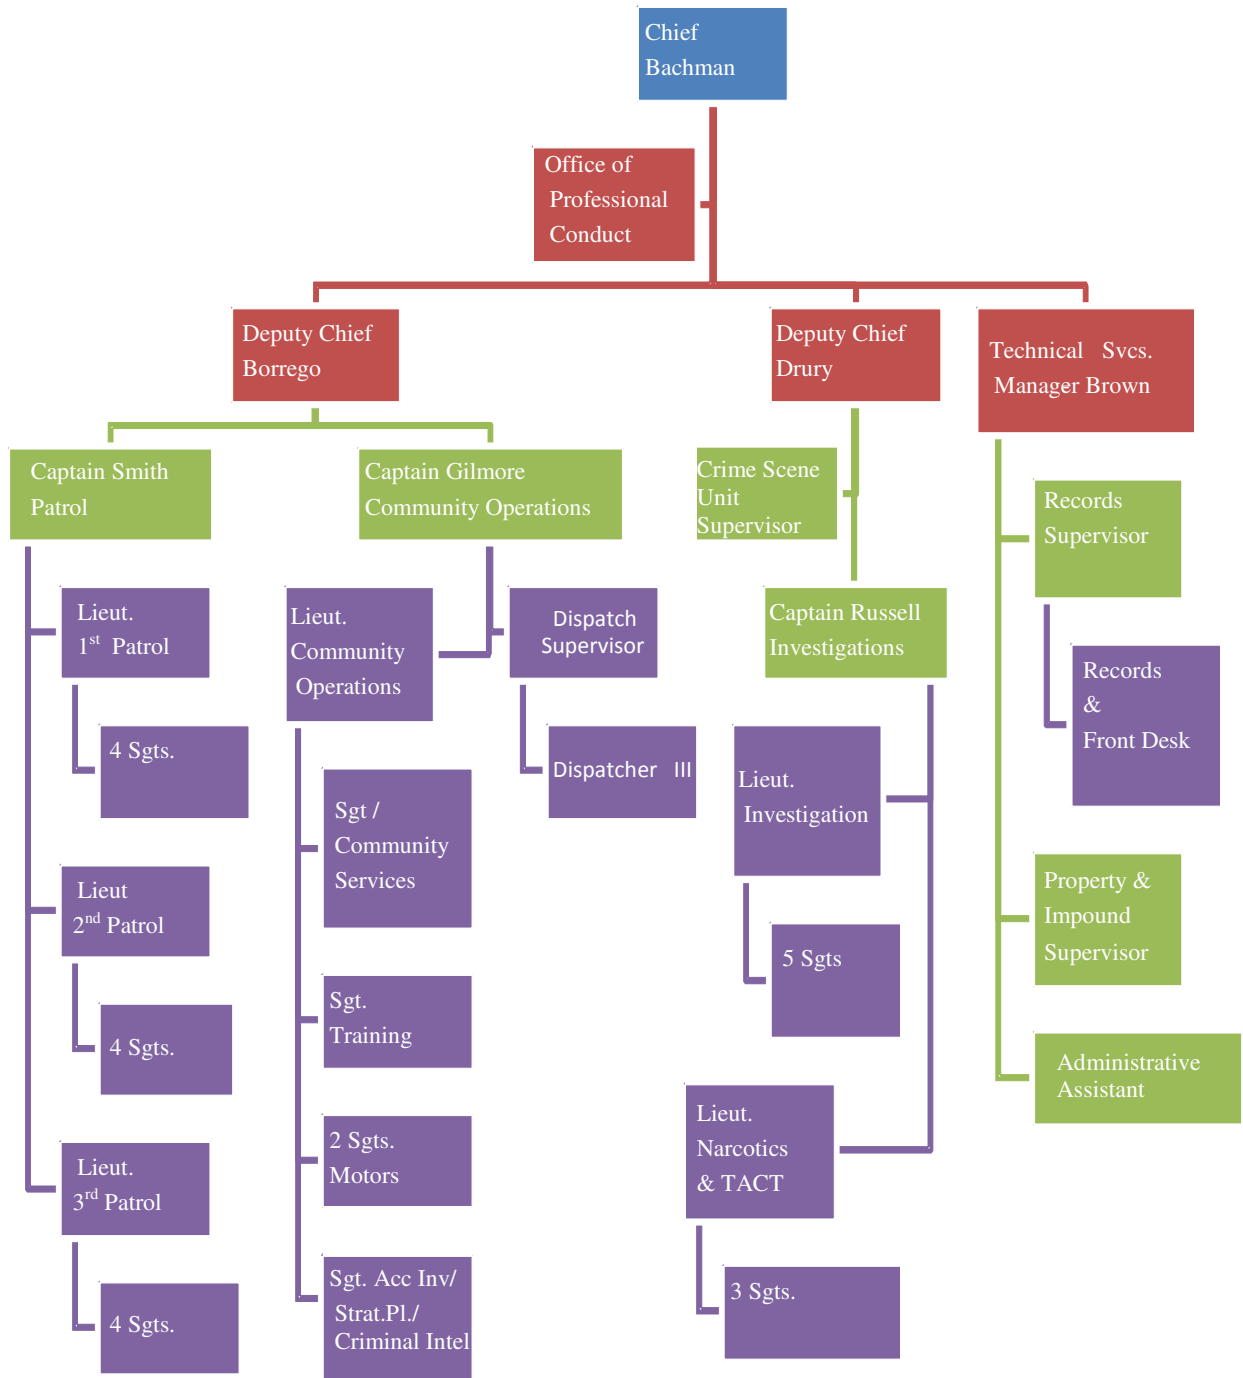

The Office of the Chief of Police has the ultimate responsibility for the management and administration of the Wichita Falls Police Department. This office coordinates the Police Department's activities with other city departments through administrative direction of the City Manager.

This office insures the efficient operation of the Police Department through planning, organizing and directing its activities. This direction assures law and order is maintained and other measures are implemented to prevent crimes and to protect the lives and property of the citizens and visitors to the City of Wichita Falls. Some of the duties involve consulting with other public safety officials in developing plans and policies to be followed in conducting operations involving joint concerns and activities. The Police Department's policies, rules and regulations are interpreted and applied from the Office of the Chief of Police.

Three Divisions and the Office of Professional Conduct report directly to the Chief of Police. The divisions of the department are the Field Services Division, the Support Services Division, and the Technical Services Division. Field Services and Support Services are responsible for organizing and directing the various personnel who are involved in the various patrol, investigative and Communications functions of the department. Technical Services provides the administrative support through functions such as Records, Property/Evidence and Payroll.

Accomplishments of note for 2011 include: The uploading of the Police Department's Record Management System into the Texas Data Exchange (T-DEx) and National Data Exchange (N-DEx), both systems are designed to compile law enforcement incident records and other non-intelligence criminal justice information into a central repository for sharing across jurisdictional lines. The upgrading of the MDC's, or Mobile Data Computers, with air cards which has helped to dramatically increase their effectiveness, and to alleviate signal loss. The Department started the process of becoming an accredited agency by the Texas Law Enforcement Agency Best Practices Recognition Program. The Law Enforcement Recognition Program is a voluntary process where police agencies in Texas prove their compliance with 164 Texas Law Enforcement Best Practices.

Organizational Structure of the Wichita Falls Police Department

Administrative Assistant

The Administrative Assistant is primarily responsible for the preparation of the department's annual budget. The budget and all department accounts are closely monitored and adjusted to keep the department within budget constraints. This office is also responsible for the leave accounting of all personnel and the Department's payroll records.

Office of Professional Conduct

When requested by the Chief of Police, the Office of Professional Conduct will thoroughly investigate complaints and submit written reports to the Chief. These investigations may be categorized as either Class "A" or Class "B" investigations. Class "A" investigations are the more serious types and are investigated by the Office of Professional Conduct. Class "B" investigations are investigated by the employee's supervisor and are reviewed by the chain of command. An investigation may include more than one complaint allegation, such as two officers that were discourteous.

Findings

Findings are the results of investigations based on the number of employees involved, as well as on the number of allegations per case as defined below.

SUSTAINED: Evidence tends to support the allegation of misconduct.

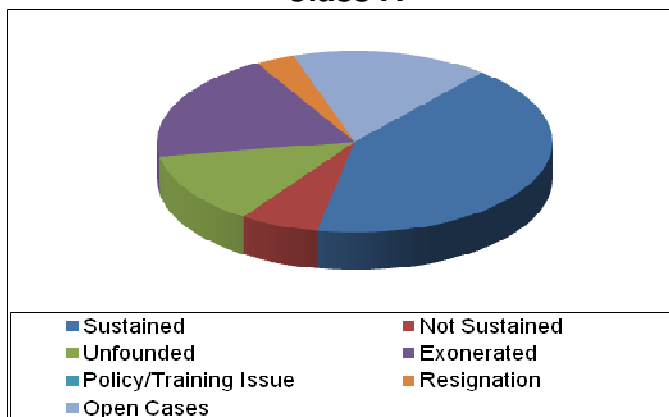

NOT SUSTAINED: There is insufficient evidence to either prove or disprove the allegation of misconduct.

UNFOUNDED: Evidence tends to disprove the allegation of misconduct.

EXONERATED: The evidence tends to support factual occurrence, but conduct does not appear to be improper.

POLICY/TRAINING ISSUES: The evidence tends to support a finding of improper action, which may or may not have been consistent with policy. May indicate a need for training rather than disciplinary action.

Class A

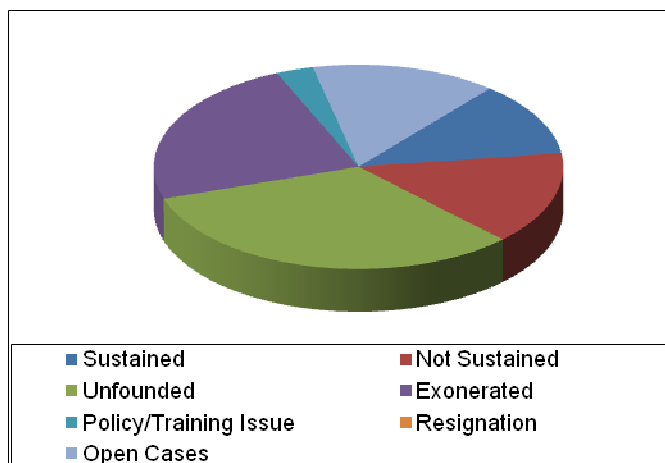

Class "A" Investigations		
Findings	Total	Total %
Sustained	13	42%
Not Sustained	2	6%
Unfounded	4	13%
Exonerated	6	19%
Policy/Training Issue	0	0%
Resignation	1	3%

Investigations by Beat

These are the beats on which the incidents occurred. It should be noted that the Downtown beat contains the Police Station where most internal complaints initiate.

Beat	Investigations	%
1 - Northside	10	28%
2 - Downtown	9	25%
3 - Eastside	4	11%
4 - Southside	3	8%
5 - University	5	14%
6 - Hill Beat	3	8%
7 - Unknown	2	6%
TOTAL		36 100%

A total of 37 case numbers were used in 2011. Of these 37 case numbers. Seventeen of them were Class "A" formal investigations. Nineteen of them, Informal Investigations. In addition the Office of Professional Conduct conducted an investigation on one of the tow truck companies. This totals 37 case numbers.

Initial Contacts

This is the number of cases based on the initial contact with the employees such as a Traffic Stop or an Call for Service. An internal charge is an internal complaint filed within the Department either by a supervisor or another employee. Work environment complaints are complaints about the specific environmental issues such as employee conflicts.

	Class A	Total %	Class B	Total %	Total	Total %

Field Services Division

The Field Services Division Deputy Chief is an appointed position and is responsible for commanding the Field Services Division of the Police Department. If directed to do so, he acts for the Chief of Police during his absence.

The Field Services Division consists of the Patrol Section, Community Operations Section, and Public Safety Communications. SCUBA and K9 are also assigned to this division.

The Patrol Sections primary responsible is protecting and serving the citizens of the community. The Patrol section has three main shifts and a power shift designed to help during call for service peak hours.

The K-9 Unit is assigned to the Patrol Section. The K-9 unit is responsible for narcotic trade intervention, by working an aggressive highway interdiction program. They also assist the OCU and patrol as needed.

The Community Operations Section is comprised of a Traffic Unit, Community Services Unit, Professional Standards Unit, Criminal Intelligence and the Training Unit.

Traffic Section deploys the Police Motorcycle unit to enforce traffic laws, on site accident investigators, and follow-up investigations responsible for investigating traffic related criminal offenses.

The Community Services Section is responsible for Crime Free programs, Public Information Office, Crime Stoppers, D.A.R.E. Instruction, the Neighborhood Watch program, the Sentinel program, and the Citizen's Police Academy.

The Training Unit is responsible for the Departments in-service training. This unit is also responsible for managing a Certified Police Training Academy.

The Professional Standards Unit is responsible for grant management, research projects and custodian of the Departmental General Orders.

Criminal Intelligence unit's primary responsibility is to facilitate the collections and dissemination of criminal intelligence information to the several of components of the police department used to assist in the apprehension of criminal suspects.

The Public Safety Communications Section handles all 911 emergency calls and non-emergency calls. This section has the dispatch responsibility for the Police Department, the Fire Department, and the Wichita County Sheriff's Office. Communications also handles weekend and after hours dispatching for other city departments, and AMR ambulance dispatch calls.

Patrol Section

The Patrol Section, the uniformed officers providing the City's first line of public safety protection, preserve the peace in both criminal and civil situations. Patrol responds to citizens' requests for service 24/7, in an emergency or non-emergency capacity. Patrol officers initiate and follow-up on preliminary investigations of all criminal activity, making arrests when necessary. They protect the city by conducting proactive patrol city-wide, investigating suspicious activity, and seizing illegal weapons and narcotics. Search, rescue, and/or aid to missing or injured adults and children are provided. Patrol makes referrals to available and appropriate community services, as appropriate, on behalf of persons requiring them. Enforcement of traffic laws, traffic direction and control, and the investigation of major and minor vehicle crashes are also Patrol duties. The Patrol Section also field-trains and evaluates new police academy graduates on topics covering all aspects of its widely varied duties.

Average Response Time-Dispatch to Arrive time

2010	4 minutes, 31 seconds
2011	4 minutes, 50 seconds

Personnel Assigned to Patrol Section:

Patrol is comprised of 1 Captain, 3 Lieutenants, 12 Sergeants and 73 Officers. The section is broken down into 3 standard shifts and one power shift for 24-hour operation. Their deployment is constantly re-evaluated so that their assigned hours meet the needs of the community.

Community Operations Section

A Captain commands the Community Operations and Professional Standards Section. This component of the Department is responsible for a Traffic Enforcement unit, a Community Services Section, Training and Academy Unit, Dispatch, Intelligence and a Strategic Planning Unit.

Traffic Section and Community Operations and Professional Standards

Captain	1	(This Captain is responsible for Traffic, Strategic Planning, Research and Planning, Intelligence, Training, Crime Free, D.A.R.E., Crime Stoppers, and Crime Prevention.)
Lieutenant	1	
Sergeants	5	
Officers	29	

Traffic Unit

The Traffic Section includes the Motorcycle Unit, the On-site Crash Investigation Unit and the Follow-up Crash Investigation unit. The objectives of the police motorcycles are to reduce the number of traffic crashes by the use of selective traffic enforcement and to have a force that is highly mobile and flexible enough to respond to the special traffic and/or police investigations that are required. Examples include parades, escort service for visiting dignitaries, or any other special operation.

The Crash Investigation Unit is responsible for investigating all crashes with an emphasis placed on major traffic crashes involving serious injuries and/or death. The Follow-up Investigators will continue the process of the investigation. Their responsibilities will be to collect evidence, prepare formal reports and prosecution reports in order that appropriate charges may be filed in the case.

During the year, the traffic unit worked closely with Texas Department of Transportation (TxDOT) and City of Wichita Falls Traffic Engineers to insure safe roadways. Numerous press releases were given concerning traffic issues such as freeway construction projects, the Buckle-Up Program, the Click It or Ticket campaign, and the use and testing of new equipment.

Special events worked during the year included Kids Fest, two Citizen's Police Academies, Hotter 'n Hell Hundred bicycle ride, Junior League's Falls Fest, City Lights and other minor events and demonstrations. In addition, the Traffic Section was an active participant in TxDOT's various Selective Traffic Enforcement Programs during holiday periods.

Planning and Research

The Strategic Planning Section has successfully applied for various grants for departmental projects which are not within the budget. The City of Wichita Falls has been approved for specific purchases under several Edward Byrne Memorial- Justice Assistance Grant (JAG) programs. The grants provide law enforcement equipment for the Wichita Falls Police Department. JAG Grant purchases continued into 2011 and included ballistic vests (SWAT), digital / audio recorders (interview rooms), computer server / tape backup system (video evidence), wireless headset system (dispatch), power point projector (conference room), USB drives (police officers), tactical rifle scopes (SWAT) and surveillance equipment (tactical unit). The amount of grant purchases made in 2011 was approximately \$69,792.81. Currently, we are awaiting awards from both the 2011 JAG and Bullet Proof Vest Partnership programs. This section has updated the General Orders and is consistently providing needed statistics and grading information for our community. This section is also in the process of upgrading all our General Orders to meet the Texas Best Practices program, which is a departmental accreditation process through the Texas Police Chief's Association. The Criminal Intelligence Section continues to provide multi-level intelligence dissemination to all units on a timely basis. This Section Works cooperatively with local and national law enforcement agencies, the Section also works with Intelligence from confidential sources and Internet sites. The Section has been successful in improving turnaround time and involving multi-jurisdictional agencies.

Community Services Section

The Community Services Section is responsible for Crime Free programs, Crime Stoppers, Drug Awareness Resistance Education (D.A.R.E.), Neighborhood Watch Groups, Volunteer Police Chaplains, Sentinels, MSU Intern Program, website management and the Public Information Office. The Officers of the individual units have worked as a team to introduce and promote innovative techniques including "cold case" re-enactments for and the City's new Crime Free concept.

The Community Services Section coordinates community policing initiatives and enhances the relationship with the community. CSS partners with community sponsors such as Target, Wal-Mart and Rider High School to provide Christmas presents and a Santa Clause visit to the Children's Home. The Section supplements all other areas of the Department on special events like Hotter'n Hell Hundred, Falls Fest and fireworks displays.

The Public Information Officer has established a good relationship with the media of the community. A total of three Officers are now certified as Public Information Officers.

Crime Free Programs

In 2011, the Community Services Section staff provided valuable training to the community. The Crime Free concept has provided tailor-made crime prevention training for hundreds of business men and women. A Sergeant and four Officers have certified to provide the training to both managers and other law enforcement agencies. This proactive program is expected to dramatically reduce crime in and around the city. The Department provides such training to hotels/motels, self-storage units, businesses, RV parks and private homes.

Crime Free Unit is responsible for providing programs for organizations on gang awareness, crime prevention, and children's safety programs. Bank seminars, Home Inspections, and Neighborhood Watch presentations are useful in identifying potential crime target, areas, and in the apprehension of suspects. This unit is highly visible to the public, and provides a special public relations need to the community. The Crime Free unit is staffed by four Officers who also coordinate Neighborhood Watch, the Department's Citizen Police Academy and the annual Police Memorial service. The unit has been responsible for promoting National Night Out. Using specialized equipment to etch VIN numbers in auto glass, the unit hosted many well-attended Police events. Over 300 Businesses and Residents have now taken part in the Crime Free Program. Since the Crime Free programs inception, calls for service in apartment are down by 39% and arrests are down 37%.

Drug Abuse Resistance Education

DARE (Drug Abuse Resistance Education training program) teaches students the dangers of drug addiction, and discourages the use of illegal drugs by teaching the students to make informed decisions. In partnership with the Wichita Falls Independent School District, our two DARE officers teach the DARE curriculum, which also includes bullying and gang prevention, to all 6th and 8th graders and incorporate lessons to all grade levels from pre-k to college. These programs have the potential to reaching over 10,000 children this year. In addition to children, DARE Officers conduct training and programs on a variety of drug and safety topics to parents, educators, administrators, and other adults. DARE Officers are also available for health and safety fairs, parades and other community events.

Crime Stoppers

Since its inception, Wichita Falls Crime Stoppers, Inc. accounted for 4,317 arrests, 6,712 offenses cleared, and 2,919 rewards that paid \$826,143. Those rewards netted \$4,815,296 in stolen property recovered, over \$26,213,135.73 in narcotics seized, \$2,490,809.47 in criminal asset forfeitures and \$291,650.19 in Restitution paid. Crimestoppers also conducted a Fun Run, Bowling tournament, and annual golf tournament as fund raisers and public relations events for the program. Since its inception, Wichita Falls Campus Crime Stoppers accounted for 1,379 arrests, 1,333 offenses cleared, and 510 rewards that paid \$18,922. Those rewards netted \$164,996 in stolen property recovered, and over \$13,888 in narcotics seized.

Sentinels

The Sentinel program continues with 5 civilian, part-time employees. The Sentinel program has an emphasis on Community Property Patrol checks, junk and abandoned vehicle tag and impounds, handling property and evidence reports, writing misdemeanor reports, reporting City Code violations, writing We Can Fix It memos that help enable other City departments respond to city maintenance deficiencies, and other needs as directed by the Chief of Police. The Sentinels deploy and maintain the Department's radar trailer that monitors vehicle speeds at 104 various sites around the city. The Sentinels deployed the Auto License Plate Reader for 370 hours during their normal operations. Year to date, the unit is responsible for writing 412 reports and handled 96 calls for service at the SAFB construction gate. Additionally they have conducted 3,796 patrol checks, reported 283 code violations and checked on 1,179 vehicles.

<i>Sentinel Summary</i>		
	2010	2011

Citizen's Police Academy

Citizens Police Academy was first formed in 1999, and is dedicated to the education of the citizens of Wichita Falls on how their police department operates. The participants are provided hands on training on how the officers are trained, the challenges they face, and how well educated each officer must be. The Academy consists of three hours instruction each Tuesday night for 12 weeks, and has graduated over 600 people through the academy. The academy graduated 1 class of over 20 in 2011, and has a membership of over 150 Alumni who provide an additional support group for our department. The Citizens Alumni Association has contributed several hundred volunteer hours as the Department has implemented the Volunteers In Police Service (VIPS) program. Total CPAA Donations to date is in excess of \$71,000.00. Alumni distributed fliers to neighborhoods that experienced high volumes of part 1 burglary crimes.

2011 CPAA Donations	Amount
Trip for PIO Officer	\$525.00
Tactical Vest	\$69.24
Police Dept. Christmas Dinner	\$823.89

SWAT Training Dinner	\$266.33
Total 2011	\$2,997.91

Neighborhood Watch Program

Under the direction of Crime Prevention Officers the number of Neighborhood Watch groups organized for 2011 has reached 37. This section has also addressed neighborhood areas that have been identified as “hot-spots” and facilitated considerable reductions of calls for service to those areas. The unit has been responsible for promoting National Night Out. National Night Out is a National Neighborhood Watch program to emphasize and encourage Neighborhood Watch organizations to band together and help reduce crime. Our department hosts an annual hot dog cook out at a park with well over 100+ participants and media well represented.

Volunteer Police Chaplains

The Volunteer Police Chaplains provide clerical assistance to officers having such a need as an individual, or in the performance of their duties. The chaplain program is a ministry to the officers of the Wichita Falls Police Department and to the citizens of the City of Wichita Falls. Their services are invaluable during times of critical incidents involving officers and citizens.

Training Unit

The Wichita Falls police Department's Training Unit services the needs of the department and entire Law Enforcement region. The Training unit is staffed with a Sergeant and four Training Officers who conduct the TCLEOSE (Texas Commission on Law Enforcement Officer Standards and Education) licensed 24 week basic police academies. The Academy prepares the candidates as a Police Officer that is knowledgeable in the enforcement of the laws of the state of Texas and ready to advance to the field training program. The academies provide the department a continuing pool of manpower to fill the positions available within the department.

The training unit also completes task associated with the Academy such as recruitment, testing and background investigations. The training unit completed the 63rd Academy in February 2011 and started recruitment and hiring process for the 64th Academy in June 2011.

The training unit is also responsible for In-Service training for the Wichita Falls Police Department to insure that all licensed officers receive their TCLEOSE 40 hours of mandated training courses every two years and required courses for advancement to Intermediate, Advanced and Master certifications.

The training unit provided 81 courses for 553 officers in 2011. The training unit also completes all weapons qualifications and less lethal update training for the departments' officers. The training Unit also coordinates with the Nortex commission and brings in specialized training for WFPD Officers and Officers from regional agencies. The Training Unit worked to bring in 11 specialized courses to 347 Officers during 2011.

The Training unit is also staffed with one Civilian Telecommunicator Trainer that is responsible for training newly hired telecommunicators. This training is conducted for 6 weeks and provides a basic training certification for new employees entering the communications center. The training unit provided three training classes during the 2010 - 2011 training year to over 21 new telecommunicators.

The Training Unit is also oversees the alarm permit program which includes billing, processing and enforcement. The training unit is staffed with one secretary that multi-task with front lobby responsibilities that include walk in traffic from persons interested in fire, emergency management, police and dispatch issues. The secretary also deals with the alarm permits program and Training reporting responsibilities to the Texas Commission on Law Enforcement Officer Standards and Education.

Alarm Permits

The Training Unit is also responsible for the licensing of alarm permit holders. In 2007, the Community Operations Section and Public Information Office began an initiative to promote alarm registration in the City. Local media and the City's website provided information on the ordinance and how to renew or register an alarm.

Communications Unit

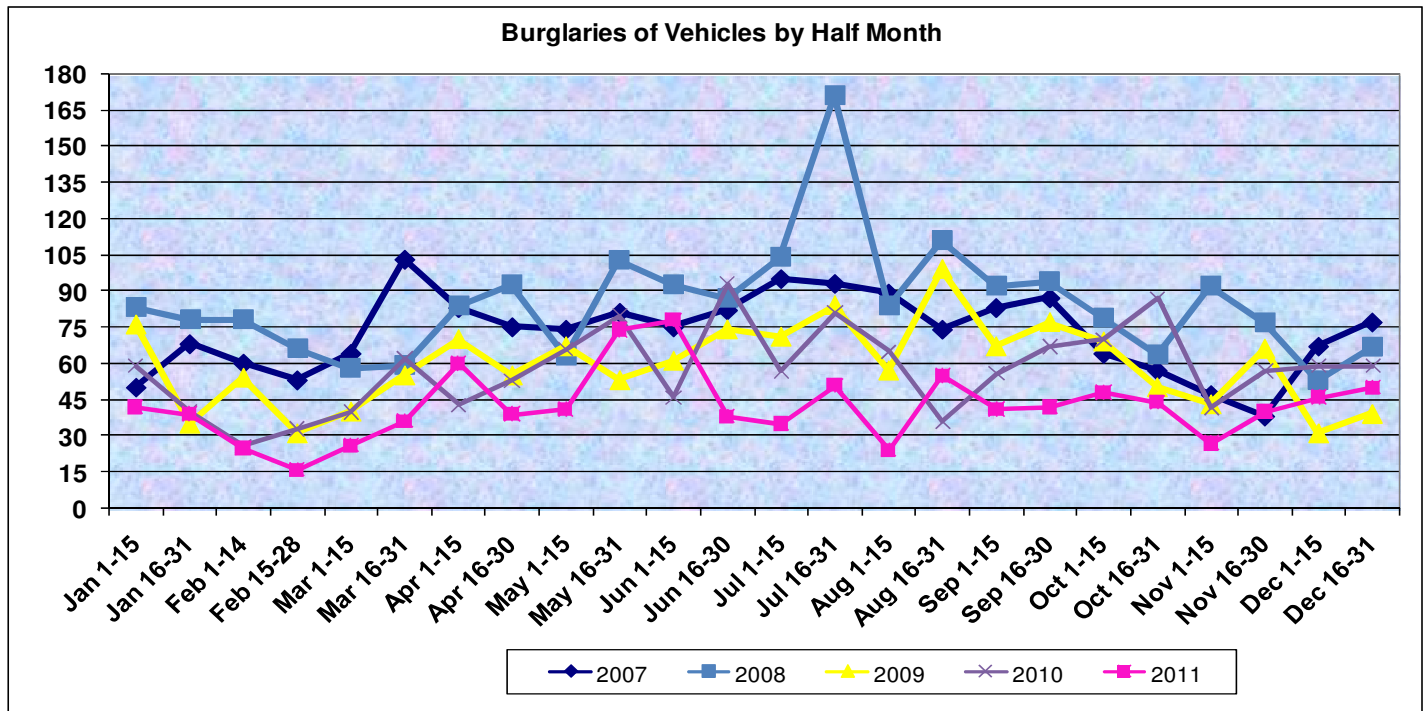

This unit is responsible for receiving, monitoring, transmitting and relaying calls for emergency services to appropriate public safety officers. They operate telecommunications equipment such as emergency and non-emergency telephones and radios. They maintain complete records of all communications' transactions through computer functions and digital recording equipment. The Communications Center obtains and processes confidential records and related information used in criminal investigations and related situations. They are also responsible for maintaining constant communications with Police, Fire and County officers and other city employees out working the streets of Wichita Falls, thus helping ensure their safety. Communications also monitor and dispatch after hours for other city departments and refer calls for AMR Ambulance. This is a twenty-four (24) hour, seven (7) day a week operation. Calls per year per Organization are listed below:

Calls for Service

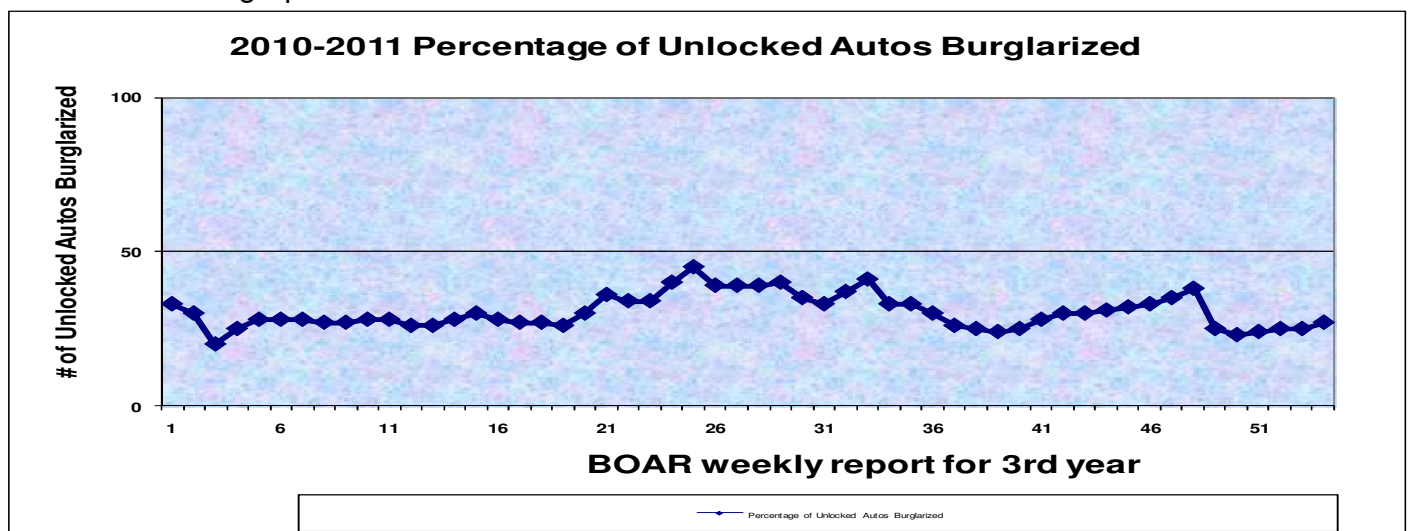

Year/Dept	Police	Fire	Sheriff	Total /Yr
2010	140,821	9,868	32,449	183,138
2011	143,218	10,341	32,501	186,060

BOAR Unit

BOAR (Burglary Of Auto Reduction) was formed in 2008 to reduce Auto Burglary, and the factors that relate to auto burglary. Now finishing the 3th year, the BOAR program involves both the Units of the Police Department, Citizens Police Alumni Association, Community and Media to enhance emphasis on awareness of factors concerning auto, building and habitation burglaries. Involvement of all Units in the Police Department, along with Intelligence dissemination has contributed to a successful reduction of burglary in our community.

Shown above is the reduction in Unlocked Vehicles that have been burglarized. In 2008, 85% of burglarized vehicles were found to be unlocked. After 2 years of a successful BOAR program, the amount of unlocked vehicles involved in burglaries have been reduced to 30%, shown in the graph below:

Support Services Division

The Support Services Deputy Chief is an appointed position. This is a highly responsible, command and administrative position, which involves the oversight of a departmental division.

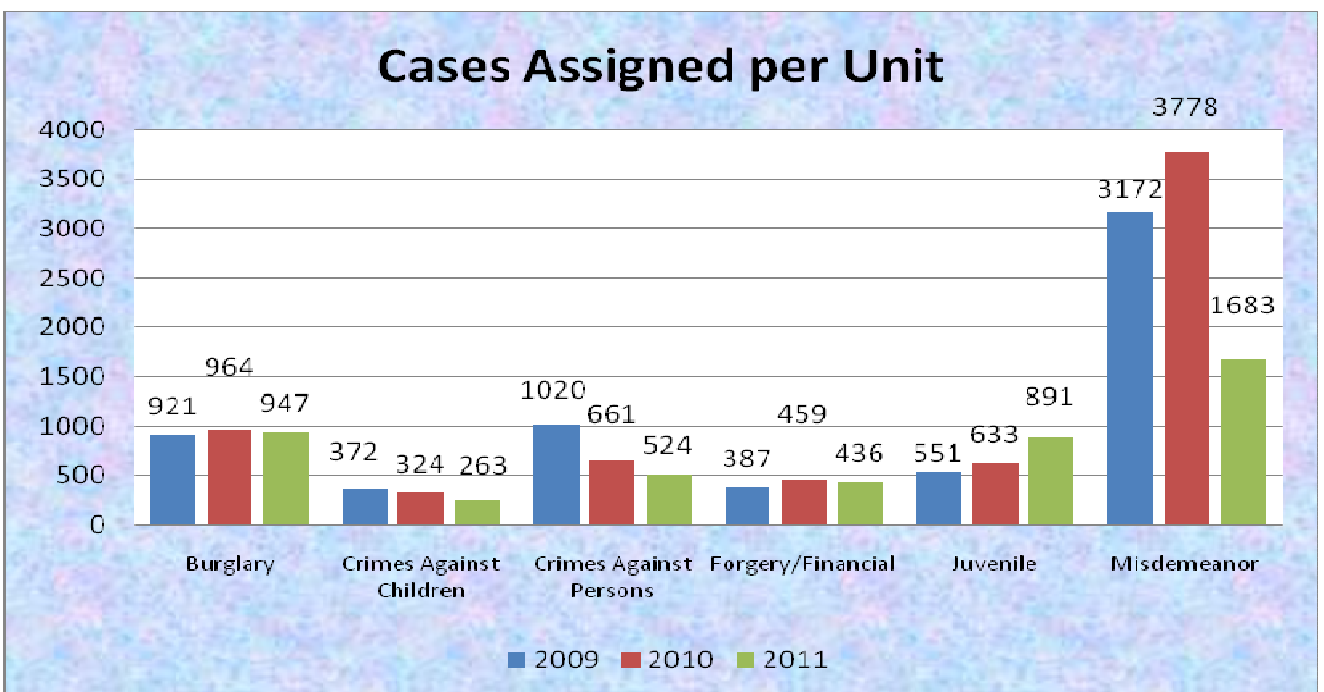

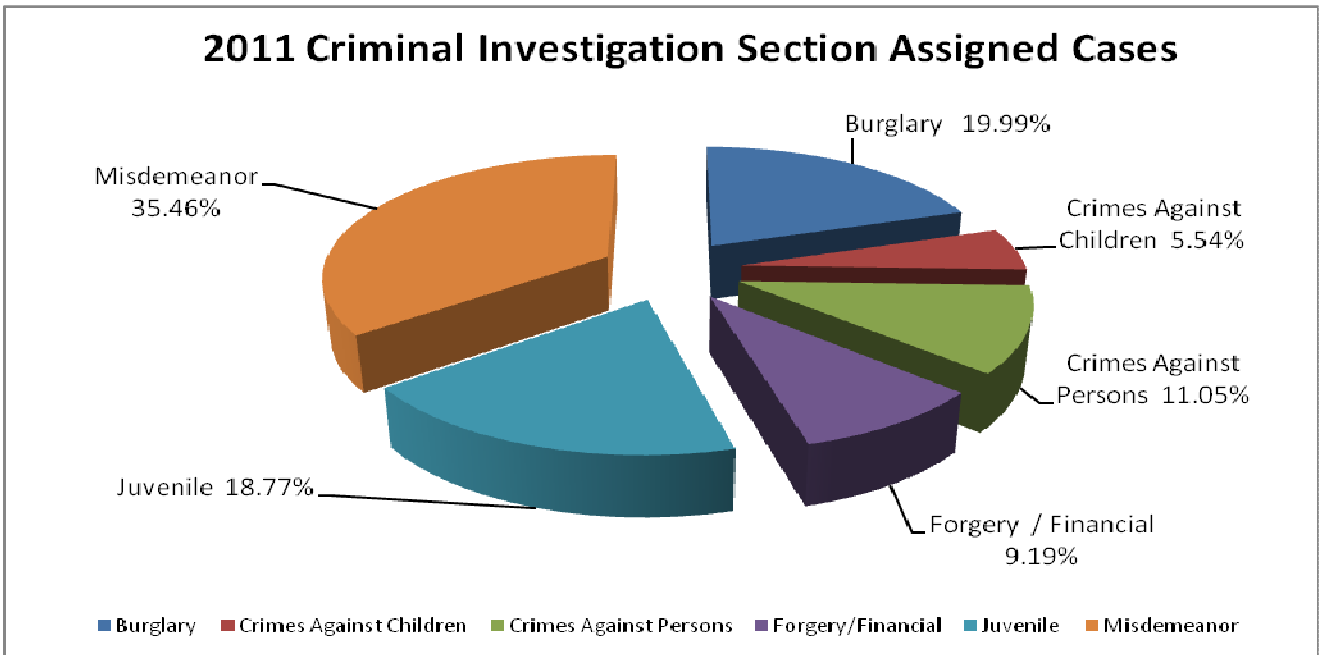

The work involves responsibility for planning, directing, evaluating, and supervising at the divisional level within the police department. The Deputy Chief monitors and evaluates operations through conferences with subordinate supervisors, and reports, recommends, and implements improvements in organization, staffing, procedures, and methods within the division. The Deputy Chief responds to and takes command of major operations or emergencies. She coordinates division activities with other city departments and law enforcement agencies. She assists in the overall direction of the department participating in staff meetings, and of various departmental boards and committees. If directed to do so, she acts for the Chief of Police during his absence.

The Support Services Division Deputy Chief is responsible for the Criminal Investigation Section (Crimes Against Persons, Crimes Against Property, Misdemeanor, and Juvenile, Financial Crimes), Organized Crime Unit, Tactical Services, Gang Unit, SWAT Team, Honor Guard and Crime Scene Technicians.

Criminal Investigation Section

The Criminal Investigation Section is responsible for the follow-up investigations of all felony arrests, all Part I Offenses and some Part II (misdemeanor) Offenses, where significant solvability factors exist.

The Criminal Investigation Section is comprised of 6 investigation Units. These Units are Misdemeanor, Property, Juvenile / Crimes Against Children, Persons, and Financial Crimes Unit. There are 5 sergeants and currently 29 officers within the unit. There are 8 civilian personnel headed by a Supervisor.

Crimes Against Persons Unit

The Crime Against Persons Unit is responsible for the investigation of felony related cases involving injuries or threats to persons such as murders, suicides, unattended deaths, aggravated robbery / robbery, sexual assaults, aggravated assaults and felony assaults. The Unit receives about 150 cases each month. The Unit is normally staffed by six full time detectives and a Sergeant. The case load for each detective is approximately 20 - 25 cases per month. One Detective is assigned to polygraph responsibilities in addition to investigating full time. Another is assigned to "Cold Case" investigations in addition to regular cases. Additionally, the Sergeant of this Unit typically works some cases to relieve case loads.

Crimes Against Property Unit

The Property Crimes Unit is currently staffed with one Sergeant and seven detectives. One investigator is responsible for follow-up investigation of all auto thefts, unauthorized use of motor vehicles. One investigator is responsible for Pawn/Second-Hand Dealer Detail. The five remaining detectives are responsible for the follow-up investigation of all burglaries, felony criminal mischief, felony thefts and any other felony offense involving property crimes. "Burglary of Motor Vehicles" crimes have been substantially reduced due to public awareness campaigns by the Department and proactive enforcement. Burglary of Motor Vehicles is still a major concern for the community since this crime often leads to financial crimes such as identity theft, forgery and credit card abuse.

Misdemeanor Unit

The Misdemeanor Unit is responsible for follow-up investigations of Class A & B misdemeanors. The Sergeant assigned to this Unit is on loan from the Patrol Section for one year at a time in an "On the Job" training status. This gives supervisors in the field practical knowledge of follow-up investigations that is passed on to officers in the field to increase their abilities in field investigations. The case load of the detectives is approximately 40 cases per detective, per month. The Unit is normally staffed by five detectives who help lower the cases assigned per detective. Detectives are able to manage cases much better and make contacts in a much more expedient manner when the Unit is fully staffed.

Juvenile Unit

The Juvenile Unit is responsible for investigation of crimes against children, juvenile offenders and the tracking of sex offenders. This Unit investigates felony and misdemeanor crimes involving juveniles. The Unit is normally staffed by seven detectives and a Sergeant. Case loads are approximately 25 cases per month, per detective. Three investigators in this Unit work from Patsy's House Children's Advocacy Center, where they work as part of a multi-disciplinary team along with CPS, the D.A.'s Office, and SANE nurses. Three investigators work crimes committed by juvenile offenders. The Unit also has an investigator that is responsible for tracking all registered sex offenders in the City.

Financial Crimes Unit

The Financial Crimes Unit is comprised of four Detectives and one Sergeant. The Unit works hand and hand with several Federal Agencies included the Secret Service, Postal Inspection Service, and FBI. The Unit has one Detective assigned to a Federal Task Force to assist in major cases. The Unit is responsible for educating the public on Identify Theft and other Fraud related crimes. The Unit presents programs throughout the year for different civic and public organizations.

Crime Scene Unit

The Crime Scene Unit is responsible for maintaining fingerprints and digital images, processing items for latent prints and comparing the prints to known prints for identification purposes. The crime scene technicians process major crime scenes, when necessary, collecting latent prints, other evidence and photographing and documenting crime scenes. The technicians are responsible for photographing special events as necessary and other assignments as ordered by the Chief of Police. The crime scene technicians also enter unknown latent prints in the Texas Department of Public Safety Automated Fingerprint Identification System. The Crime Scene Unit frequently lends its expertise to local, state, and federal law enforcement agencies and testifies in both state and federal courts as expert witnesses.

Special Operations Section

The Special Operations Section is comprised of the Organized Crime Unit, the Tactical Unit and the Gang Task Force. Since each of these units is specialized with similar and often overlapping responsibilities, they have been placed under the umbrella of Special Operations. Each unit maintains their very distinct goals and objectives. Having these units under this umbrella allows for a combined and unified effort and enhances the opportunity to provide advanced training for the Officers to work together.

The Special Operations Section is responsible for gang suppression, gang intelligence, the execution of high-risk arrest/search warrants, SWAT assignments, narcotics, vice, drug search warrant, criminal intelligence, and a variety of specialized operations. This section also trains and coordinates the efforts of the police negotiators. The extensive training, ability to stay on a specific task for an extended period of time, and very flexible work schedule has allowed this unit to meet a tremendous need. The section also supplements other units of the department on an as-needed basis to assist in very large cases, to supply manpower for specialized events, and to conduct undercover police operations. In 2011, SWAT had a total of 37 Operations which included participation in 3 Operations with other law enforcement agencies, executed 27 High Risk Narcotic Search Warrants, 2 CIS High Risk Evidentiary Search Warrants, 1 fugitive search in a building, affected 1 Hostage rescue, and dealt with 3 Barricaded or Suicidal Subjects.

Tactical Services Unit

The Tactical Unit is responsible for conducting surveillance and apprehending suspects involved in burglaries, thefts and other high profile crimes. When needed, the unit will assist other units in their investigations. The unit is supervised by a Sergeant and was re-formed in early August 2008. Since its inception the unit has made numerous felony arrests, recovered several stolen vehicles, stolen firearms, and recovered large amounts of other stolen property taken in burglary and theft cases. The unit assisted in the apprehension of aggravated kidnapping and aggravated robbery suspects. The unit has been responsible for the identification of suspects involved in the investigation and dismantling three major burglary and theft rings. The unit also aids in arresting specific individuals that are the main targets of investigations.

Gang Unit

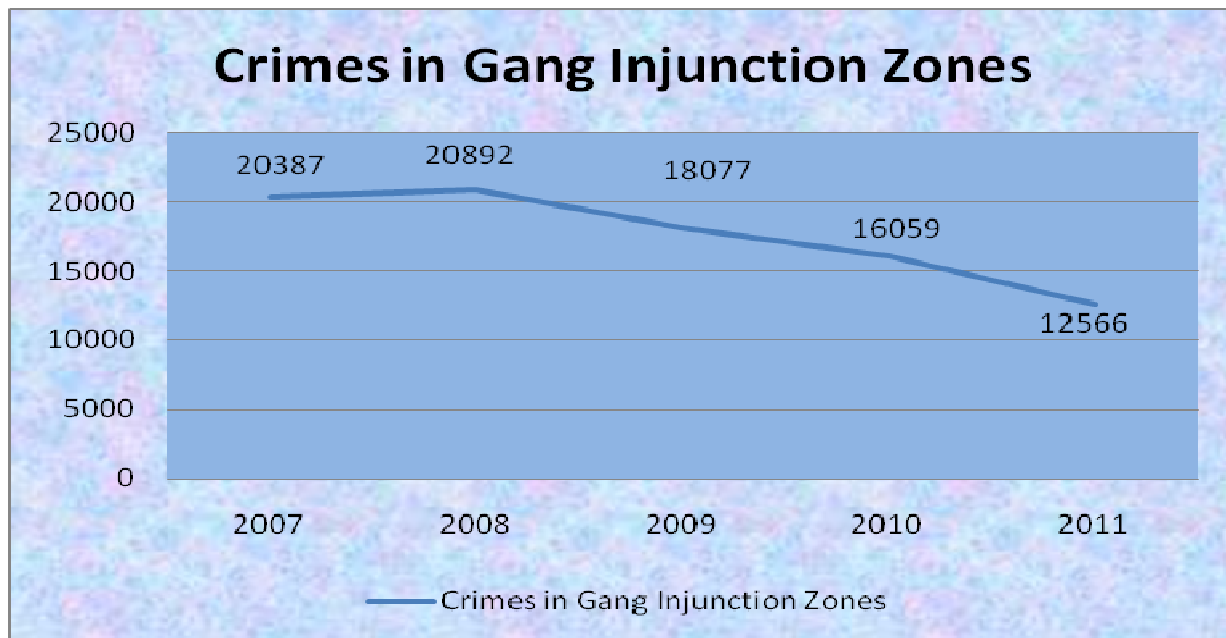

The Gang Unit is responsible for monitoring and interdiction in Organized Gangs and their Associates that are active in our community. The unit is supervised by a Sergeant and was organized as a full time unit in 2007. The Unit works to identify, document and use interdiction techniques to keep organized gangs from conducting illegal crime activities. The Unit has taken the lead in enforcing court ordered gang injunctions that have resulted in the successful disruption of recognized gang activities and discouraging members from association and interaction. The Gang Unit identifies geographical locals along with active members, associates and their interaction with each other and rival gangs. As of 2011, there were over 9 known active gangs in our city that are monitored by our Gang Unit, with approximately 150 members that are under gang injunction court order monitoring.

2011 Total Activity - Gang Unit	Total
Total # of Stops	638
Total # of Stops with Tickets	250

Wichita Falls Gang Injunctions

As of December 31, 2011, the City of Wichita Falls had four gang injunctions in operation. The first injunction was implemented in 2007. The second gang injunction was implemented the first of July 2008. The third gang injunction was implemented in 2010. The fourth gang Injunction was implemented in February of 2011. The number of crimes reported within the four-gang injunction borders reduced crimes by 21% in 2010. Gang Injunctions have been upheld in court action, and a notable number of defendants have been taken off the street with the continued use of this tool. Crimes in the Reporting Districts that make up the four gang injunctions have been reduced by a total of **38%** over the last 5 year period. The success of the Gang Injunction concept is due to the combined efforts of the City of Wichita Falls Police Department, the City of Wichita Falls Legal Department Prosecutors Office and the Wichita County District Attorney's Office.

Organized Crime Unit

The Organized Crime Unit is responsible for narcotics, vice and organized crime investigations within the city of Wichita Falls. This involves the filing of all the departmental drug related cases, undercover operations, surveillance, reversals, drug buys, and buy-bust types of cases. In addition, they control the prostitution, gambling, and organized crime problems in the city.

Technical Services Manager

The Technical Services Manager is responsible for the management of three sections including Impound, Property/Evidence, and Records. All of these employees are civilian and many work in shifts.

Impound Unit

This unit is responsible for the intake, cataloging, storing, preservation and chain of custody for all impounded motor vehicles whether impounded for safe-keeping or as evidence. Vehicles impounded include trailers, motor homes, RV's, motorcycles or any other item deemed mobile. Items and Vehicles in Impound are available for evidence for lengths of time from days to weeks to years.

Impound Unit	2009	2010	2011
Number of Vehicles Auctioned	88	193	175
Number of Other Items Auctioned	62	229	195
Value of Auctioned Items	\$36,702	\$102,470	\$107,000
Value of Fees collected	\$14,087	\$117,041	\$109,782
Wrecker Payments	(\$21,790)	(\$103,609)	(\$98,935)
Year to date Revenue	\$28,999	\$115,902	\$117,847

Property / Evidence Unit

This unit is responsible for the cataloging, storing, preservation and chain of custody for all evidence and property (including impounded vehicles, motorcycles, bicycles etc.) taken into the custody of the police department. The Evidence Technician assigned to this unit is also responsible for properly disposing of evidence, which is no longer needed as evidence for court.

Property Room	2010	2011
Firearms received	206	212
Controlled substances received	1,890	1,414
Number of items received in property	10,601	9,223
Items sold at public auction	229	282
Revenue from Auction	\$6,127	\$7,844

Records Unit

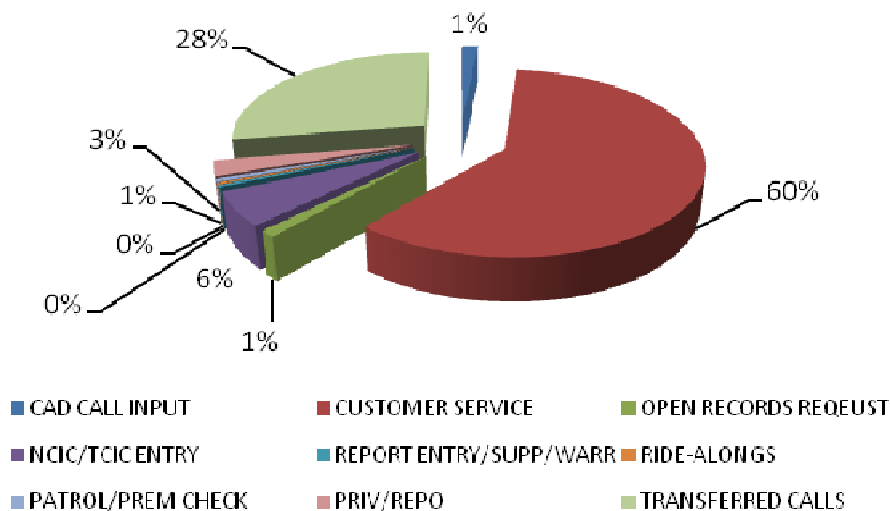

This unit is responsible for maintaining and filing of the entire department's original records. This unit is also responsible for court ordered expungements, processing insurance company requests for reports, criminal history checks, providing reports to the Department of Public Safety, addressing citizen inquiries, and assisting officers and investigators.

This unit is also responsible for the civilian Front Desk Information personnel. They are responsible for complaint reception from walk-ins and via telephone relative to criminal offenses not requiring the physical presence of a police officer. Their work assignments cover a full range of clerical and typing duties and include a significant amount of data entry and retrieval.

For the Years 2010 / 2011:

Uniform Crime Report

U.C.R. PART 1 CRIME COMPARISON JANUARY- DECEMBER 2010 VS 2011

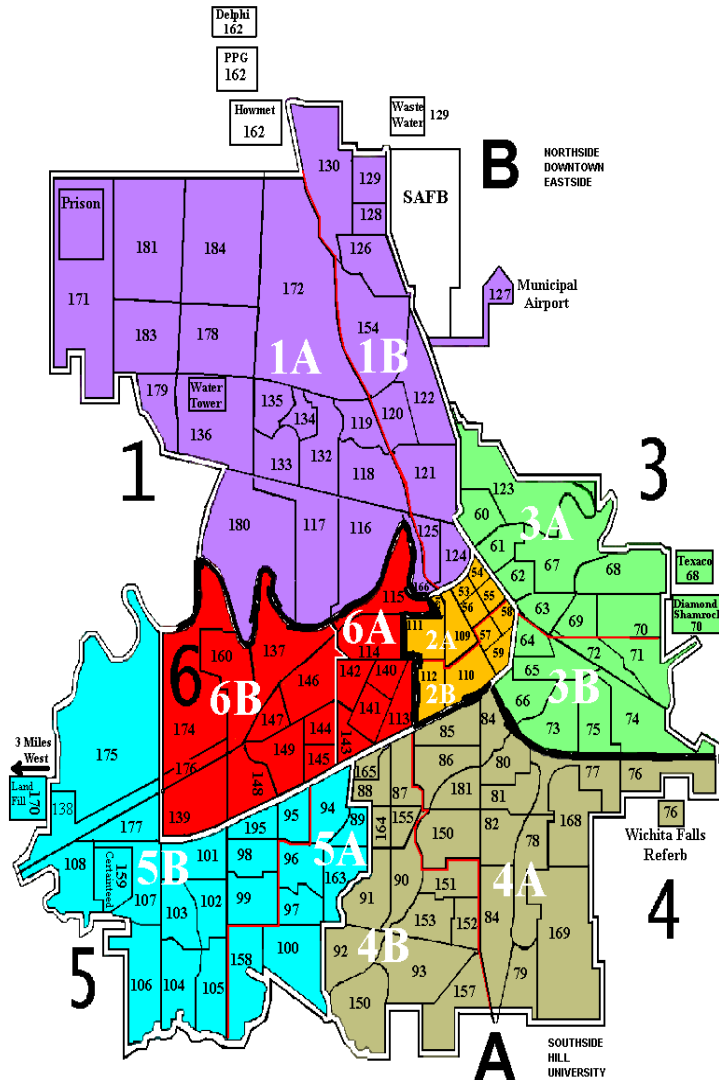

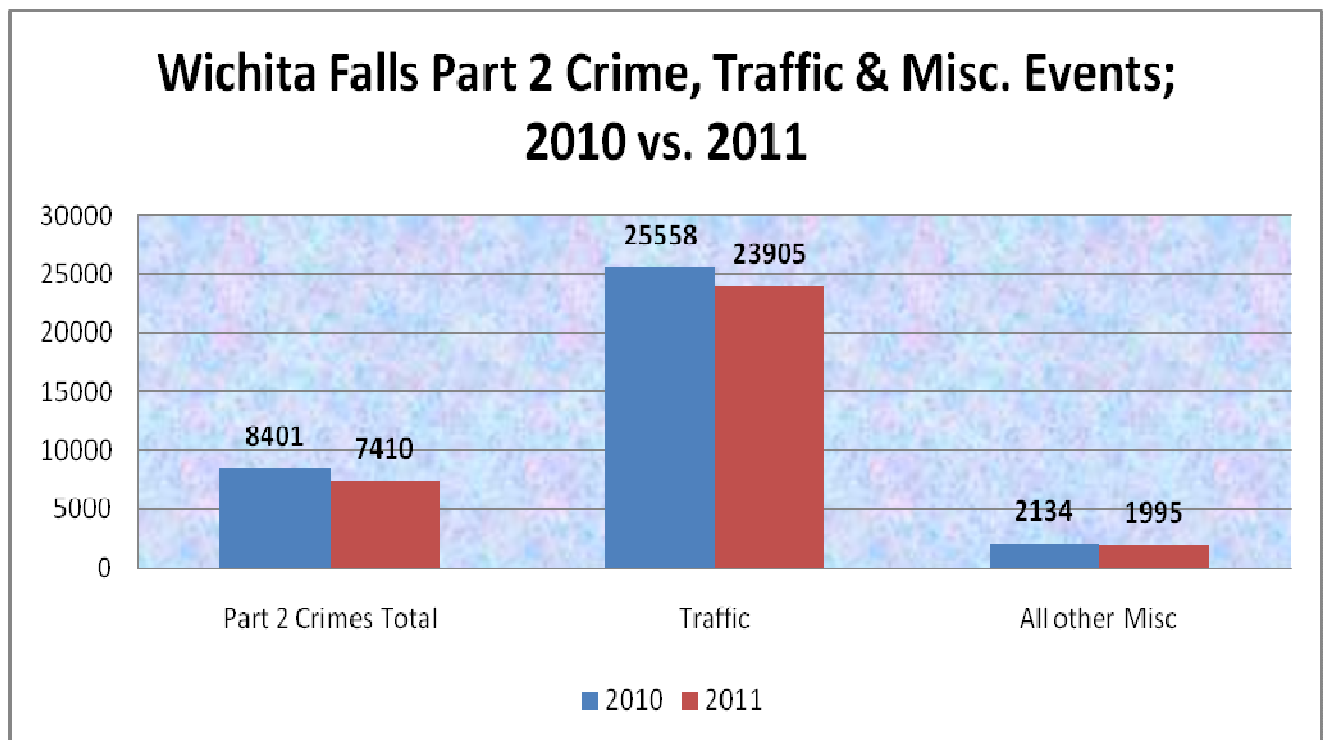

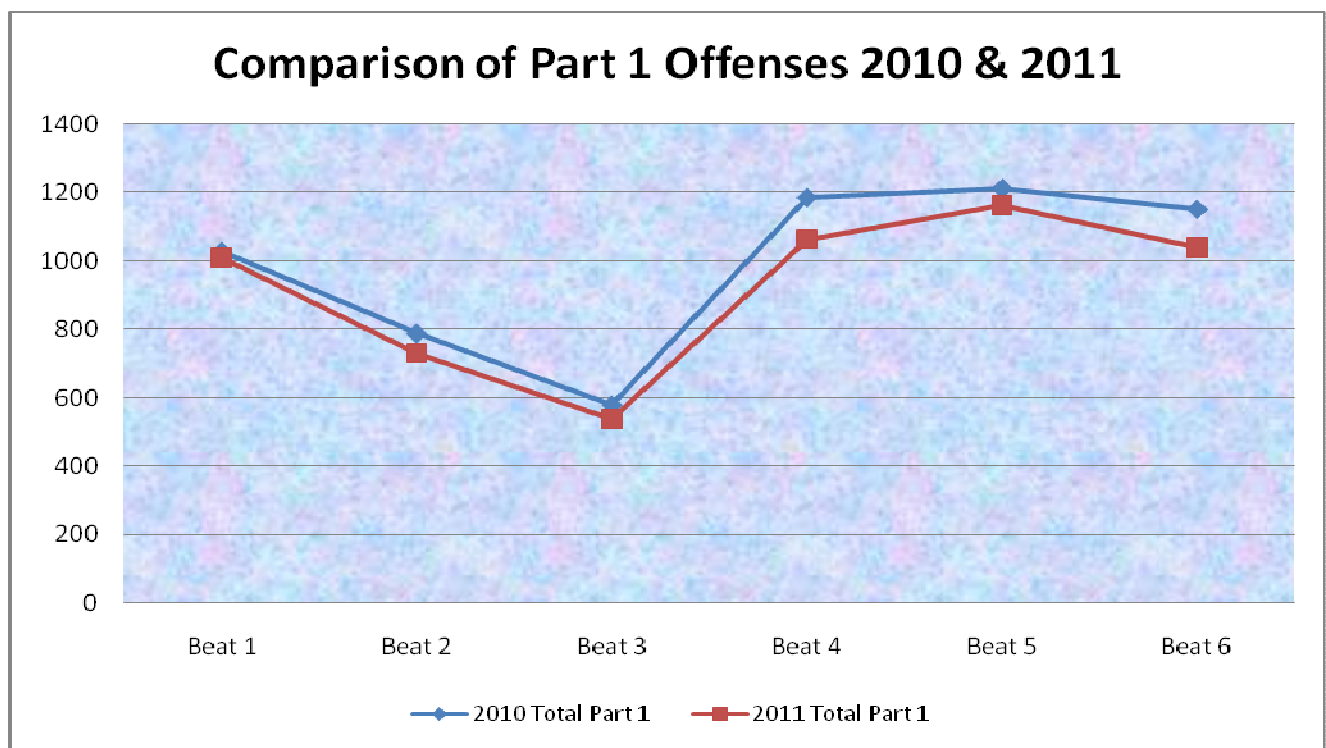

YEAR-TO-DATE THIS YEAR VS. LAST YEAR:

PART 1 CRIME:	2010	2011
M.V. THEFT	287	274
LARCENY / THEFT	3710	3545
BURGLARY	1317	1258
AGG. ASSAULT	279	277
ROBBERY	133	152
RAPE	44	34
MURDER	7	2
YEAR TOTALS	5777	5542

The Violent Crime totals including Murder, Murder justified Homicide, Rape, and Robbery were **up 2%** (Robbery) from 2010 to 2011. Aggravated Assault was **down 1%** from 2010 to 2011. Property Crimes that includes Burglary, Larceny / Theft, and Motor Vehicle Theft, were **down 4.5%** from 2010 to 2012. The combined Violent and Property Crimes were **down 4%** from 2010 to 2011.

City of Wichita Falls Beat Map

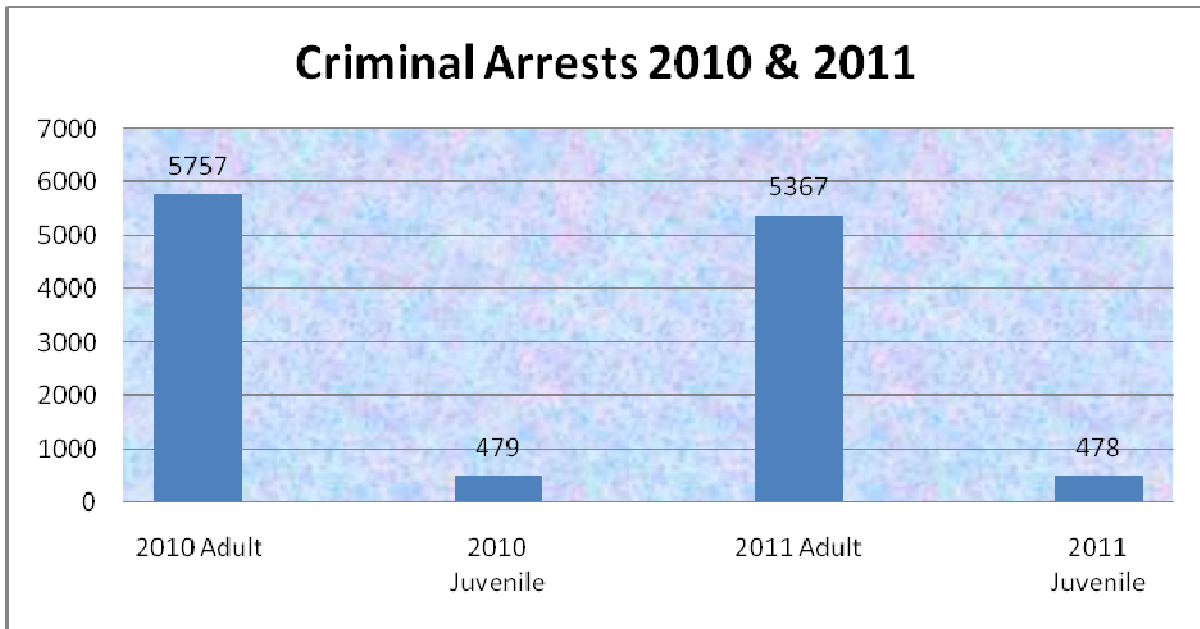

The graph above depicts Part II offenses, which encompass all other crime classifications not defined as Part I Major Crimes. Some examples of Part II crimes include assaults, forgery, fraud, vandalism, weapons violations, drug, DWI, drunk and disorderly conduct.

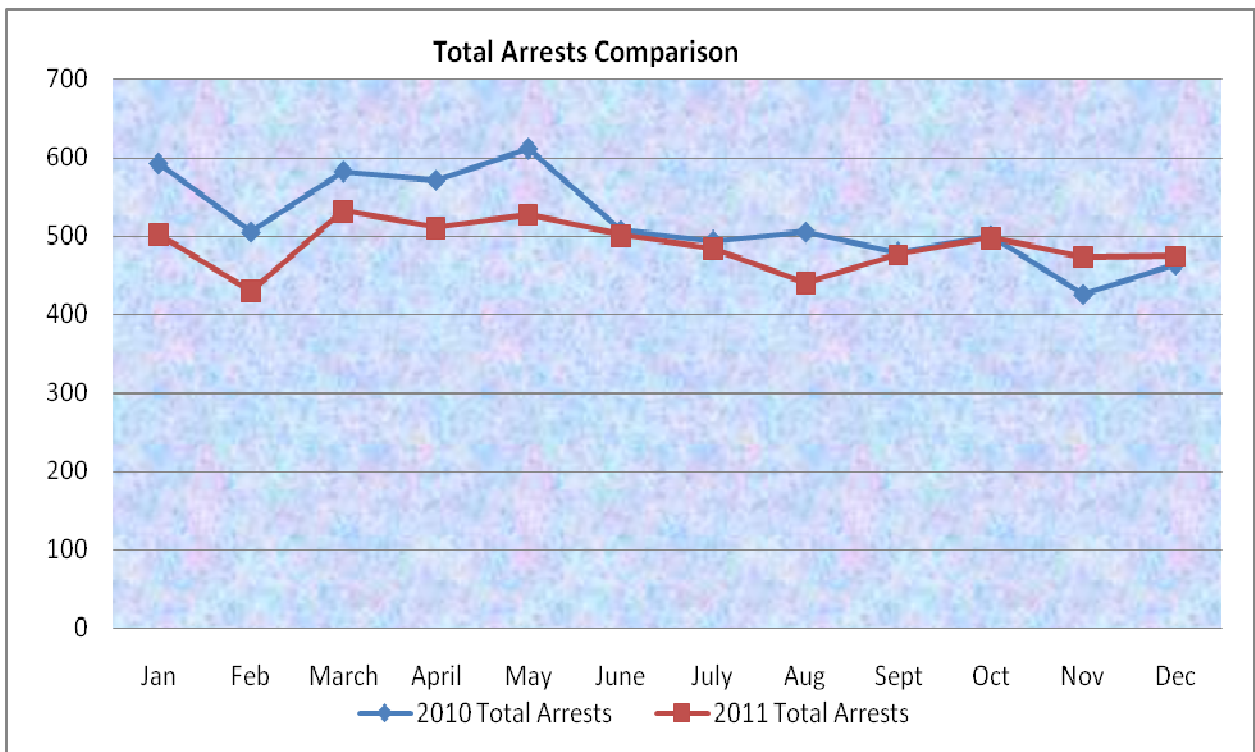

The other miscellaneous category represents all other state or local incident events. The crimes of public nuisance, trespass, perjury, bigamy, blackmail and extortion belong to this category.

Crime Trends

Note: According to the Criminal Investigation Section's juvenile sergeant, as of January 2000 runaway arrests are no longer entered in the Records Management System's arrest file. The Wichita County Commissioner's Court ruled juvenile runaways are not to be arrested, nor handled by the Wichita County Juvenile Detention Center. Runaways are to be transported to the Teen Shelter by law enforcement personnel.

The preceding chart shows adult arrests have decreased 7% from 2010 while juvenile arrests have remained the same.
